EATONTOWN, NEW JERSEY

TERMS AND CONDITIONS

CUSTOMERS are requested to state mode of shipping, express or freight, and by what route. When none is given we exercise our judgment, but in no case do we assume responsibility after goods are shipped unless for our own mistakes.

While we exercise the greatest care to have all trees, shrubs and plants sold by us genuine and reliable and hold ourselves prepared to replace, on proper proof, any that may prove otherwise, we do not give any warranty, express or implied, and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods.

All claims for errors or deficiencies must be made immediately upon receipt of the goods.

TERMS.—Cash with order from unknown parties or satisfactory references.

Five hundred will be furnished at the thousand rate; fifty at the hundred rate and five at the ten rate.

The prices quoted are for our selection. Where stock is selected by customers it will be charged for in accordance with its value.

Shipment in bulk will be packed at no charge. Where packing is done in boxes or bales a charge will be made to cover the cost of material used.

A certificate of inspection from the State Entomologist will accompany each shipment.
